Cameras snapped and signature songs played Saturday afternoon as F. G. Miller High School's Class of 2016 came through the ceremonial doors into the auditorium, to be introduced by MC Darcy Youngmans and march slowly forward to don their burgundy gowns and take their places in the stands, in preparation for the 'Kodak moment' when families and friends crowded in to record this special moment in time for posterity. Jorja Theriault sang O Canada before Youngmans welcomed the audience and thanked family members, teachers and graduates for being part of this special occasion, and school staff for setting up the auditorium.

Elk Point Elementary School's Grade 3 to 6 students celebrated the end of another year of achievement on Friday, at the school's annual award presentations, an event aptly entitled, "Celebrating Student Success."

The morning started with O Canada, led by music teacher Quinn Shelton and Grade 5 student Colby Havener, who joined most of

the Grade 5s in the audience as they accompanied their vocals with the sign language equivalent that they learned this year.

"Whether you get an award or not, as long as you attended school every day and did your best, you should be proud," vice principal Leanne Vinge told the students before calling forward principal Rob MacDonald.

MacDonald said he was "very grateful to have our students and the parent community. Thanks for all your support during the year."

After the presentation of Citizenship Awards by home room teachers Sandra Ockerman, Rhonda Stuparyk, Stephanie Lefebvre, Courtney Martin, Craig Cloutier, Reanne Mudryk, Philip Ng and Debra Youngmans, physical education teacher Christie Roche came forward to present

the Bepalko Athletic Awards to Vaughn Ockerman and Landon Malachowski.

School Trustee Lorne Young brought greetings from the school board and noted, "It's a homecoming every time I come here. This school is special because of the students and staff, who work very hard. (The end of the school year) is a tremendous thing you've worked toward, and awards are the icing on the cake. Thanks for working so hard to get to the next level." He presented the St. Paul Education Regional Division No. 1 award for top Grade 6 marks to Kobe Warawa.

"Be proud of your achievements," Vinge told the students as the clock ticked down to the end of another school year. "And thank you, families, for helping your children be the best that they can be."

# Lions' Project Pride teaches students about Canada

**ELK POINT AND DISTRICT LIONS CLUB** member Jason Boorse encouraged Grade 1 students at Elk Point Elementary School to be proud of their country and all the wonderful things that it offers when he visited the school with his daughter, Darianna (far right), last Thursday. Lee Ann Wozniak's Grade 1B class, shown above, and their Grade 1A counterparts in Alison Newby's classroom, were all presented with their very own Canadian flags.

**VICKI BROOKER**  
Review Staff

Elk Point and District Lions Club member Jason Boorse visited Grade 1 classes at Elk Point Elementary School on Thursday, as part of the Lions Project Pride, a program under which Lions Clubs have the opportunity to express their own pride in their community and country as well as to instill pride in the country's young people.

"What's special about Canada?" Boorse asked the youngsters, and together, they came up with a long list of sports heroes, inventions and other great things about our country, including that Canada is a free country where young people are free to choose their career paths and where we are all free to own property. "A lot of countries don't have the freedom we have," he said. Canada has more lakes than are in the rest of the world combined, and more coastline than any other country.

Boorse also explained why our nation is called Canada. Explorer Jacques Cartier visited the

Iroquois, and spoke with the chief. When the chief invited him to their village, using the Iroquois word "Kan-a-ta" for village, Cartier thought he meant the country he was in, and that it was named "Canada". Boorse felt a name for our country that means 'village' was very fitting, "because we are all a community."

He explained about the maple leaf flag, which came into use in 1965, taking the place of Britain's Union Jack and the Canadian Ensign. Many students guessed that there are 11 points on the maple leaf.

The class also learned about the new wording of O Canada and all joined in to try it out the update, which now includes 'in all of our command.'

With July 1 rapidly approaching, Boorse talked about Elk Point's Canada Day celebrations, before he and his daughter Darianna handed out Canadian flags to all the students, and encouraged them to take the flags to the parade and to wave them with pride.

## Full slate of fun for Canada Day

**VICKI BROOKER**  
Review Staff

Canada Day in Elk Point promises to be a full day and evening of fun, with all the details finalized at last week's planning committee meeting.

The morning starts out with a pancake breakfast at Elk Point Municipal Library, where the Friends of the Library and their families will start serving at 8 a.m.

Floats, bicycles and other entries are welcome to join the Canada Day Parade, which lines up on Railway Ave. starting at 10 a.m. No registration is needed, just make sure to be in the lineup before judging begins at 10:30 a.m. The youngsters with bicycles will gather in front of the EcoCentre, and will be judged at 10:45 a.m., before they lead the way for the parade all around the route, with the parade heading up Main Street at 11 a.m.

Right after the parade, there will be a Pyrohy Dinner at the Seniors' Recreation Centre, from 11:30 a.m. to 1:30 p.m. Food will also be available at the A. G. Ross Arena concession and booths and food trucks north of the arena, from noon to 4 p.m., with some

of the vendors also opening for the evening at 6 p.m.

The Beer Gardens are in the tennis courts again this year and will be open from 1 to 11 p.m.

The Canada Day Stage will be the centre of attention at noon, for the opening ceremonies and flag raising and a message from MLA Dave Hanson.

The outdoor stage show will start at 1 p.m., featuring some very talented young performers, including Jorja Theriault, Heaven Colbourne, 2015 Canada Day Idol Ashley Slade and the Elk Point Ukrainian Dancers. The Elk Point Royal Purple invites you to enjoy a slice of Canada Day cake at 2 p.m., south of the stage.

A new addition to the program and also starting at 1 p.m. is the Elk Point 4-H Multi Club's annual Achievement Day, with a sheep show, dog obedience demonstrations, displays and a soapbox derby, which will take place in front of the arena.

The Kids' Zone, north of the arena, also gets underway at 1 p.m., with four bouncy houses and the water spray park for the little ones, and a dunk tank, speed pitch and Alien Invasion for the teens and older kids.

A dozen or more home-based businesses will be displaying their wares inside the arena from 1 to 5 p.m.

Registration for the Survivor Challenge will begin at 3 p.m. with the Challenge getting underway at 3:30 south of the tennis courts.

By the time the Challenge is over, everyone will have worked up an appetite, and will head into the arena for the Chili Cook-off. Contestants will have been cooking since right after noon, and will be judged at 4:30 p.m., before their spicy concoctions go on sale at 5 p.m.

Vocalist Olivia Rose, fresh from her performance at Brett Kissel's Hometown Homecoming, will do a little homecoming of her own, with two performances on the Canada Day stage, at 6 p.m. and 9 p.m. Other talented young performers will take their turns in the

spotlight at the Canada Day Idol competition at 7 p.m., which will be held outdoors on the Canada Day Stage for the first time ever.

The evening will wrap up with the traditional fireworks display at dusk.

And that's not all!

Saturday has even more fun in store, with the Elk Point Chamber of Commerce hosting their first annual Open Fun Golf Scramble, with registration at 9:30 a.m. and games begin with a

shotgun start at 10 a.m.

Saturday evening brings the County of St. Paul & Elk Point FCSS Movie Night, with the big inflatable screen set up in front of the Canada Day stage for the show, which will begin at dusk.

## EDITORIAL

# What now?

The whole world was surprised last week by the British vote to leave the European Union. The pound plunged, Prime Minister David Cameron vowed to jump ship and those who voted against it are no doubt shell-shocked.

What will this mean for the United Kingdom, which is made up of England, Scotland, Wales and Northern Ireland? Will further splits occur? What will happen to the relationship between Northern Ireland and the Republic of Ireland? Was this really a good idea?

Donald Trump seems to think so, which for many of us, would be a huge warning sign about the dangers it could produce on our side of the ocean, if he were to win the US election.

And what will it do to the European countries that have been Britain's allies for generations? Will trade sanctions make it difficult for both sides to sell their commodities and to obtain needed goods from one another?

There are endless questions to be answered, and here's hoping someone has the answers.

The popular Canada Day Idol singing competition had formerly been held in another location; however this year the best singers in the Lakeland will be performing at the outdoor stage. We're also very proud to announce Olivia Rose is playing two shows. Thanks to our sponsors, B&R Eckel's Transport, Tags Food & Gas, Elk Point Lions Club, Shamrock Valley Enterprises and Bumper to Bumper, we are able to bring Olivia home. The talented singer hails from Elk Point but moved to Edmonton a few years ago to pursue a singing career. She opened for Brett Kissel last weekend in St. Paul.

## WAY BACK WHEN...

# Bored of Education, raft race, end of the route

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JUNE 28 IN...

1986

This was the final edition featuring F. G. Miller's unforgettable Grade 9 'Bored of Education,' Denise Kissel's Language Arts class, Cynthia Oester, Anthony Bayduza, Jayme Pelech, Dean Cameron, Sandy Smith, Blaine McLaughlin, Joanne Wozniak, Alan Kadutski, Angel Ference, Jesse Hillebrand, Kevin Wirsta, Jason Smereka, Joanne Wolanuk, Rob Harms, Jackie Gulayec, Leslie Kalynchuk and Tracy Oryschuk. F. G. Miller, Heinsburg and Frog Lake grad classes were all successful in meeting the 'Safe Grad' challenge.

1991

With the Elks Lodge holding a raft race as part of the Canada Day celebrations, area residents were warned, in bold type, not to stand or walk on the bridge to view the finish of the event, as this would pose a serious traffic hazard. Elk Point chamber showed enthusiastic response to a proposal by Vince Behr of Birch Hills Enterprises to create a videotape for tourist promotion.

1996

Fears that a visit by a team studying schools in Northlands School Division would mean closure of J. F. Dion School at Fishing Lake brought a sizeable crowd to the settlement's general meeting, but the team assured residents that the chances of closure were "zero

to nil- it's an excellently functioning school." Elk Point Lioness Club, Elk Point RCMP and Elk Point Health Unit combined forces in an effort to save lives by the proper use of approved child restraint seats.

2001

It was the end of the route for Vernon 'Babe' Sharkey, who hung up his school bus keys after 52 years of transporting district youngsters to school, starting at age 18 when he drove one of his father's buses, a 1947 model with a body constructed by the St. Paul Foundry. Mayor Ed Buck vowed to lobby long and hard for funding to help pay for new paved roads in the industrial park.

2006

Alyxandra Aarbo, Taylor Jenner, Mel Brooker and Brett Lindquist were named F. G. Miller's top junior high athletes and Cassy Cochrane, Amanda Poulin, Tyson Sommerville and Wayne Anderson the top senior high athletes at the school's athletic awards banquet. Funding for Canada Day was "in good shape" with generous donations putting the budget "in the black,"

2011

"Wherever you go, go with all your heart..." was the message F. G. Miller High School's Class of 2011 took with them as they stepped into a variety of promising futures. School Board chairman Darrell Youngmans presented the St. Paul Education Regional Division No. 1 Grade 6 Academic Award to Eric Stuparyk.

# FGM Grad 2016

(Continued from Front Page)

"They say it takes a village to raise a child," grad Jesse Theriault said as she gave the message to the parents. "And for this class, so many have done that. As teenagers, we were bound to make mistakes, and our parents were the ones we relied on then, and will continue to rely on longer than we really should." She included FGM's teachers, "our non-biological parents, who have all done such a great job with us," as she said, "thank you for supporting us and listening to us, for being on our sides. We'll still need you in our futures, because we have so much more to experience."

Her mother, Melanie Poulin, acknowledged the grad class for the honour of replying, and said on behalf of all the parents, "You do us proud. Yes, kids, this is it, as we take a final look and throw you to the wolves... I mean, send you off into the future. You kids are all amazing in unique ways; you're hard workers, you volunteer, you have stayed together and look out for each other. We, as parents, have done good, but so have you. Don't ever dream small, experience life in other towns, other countries, other cultures. The only riches we will ever hold onto are the relationships we make. You are kind, you are smart, you are important, and now you are free. Congratulations!"

Shelby Berg gave the message to the teachers, thanking them for "a lot of great memories from our high school classes. I'll always remember the great times in English class. Thank you for all the effort you put in to everything you do, for all of your own time you spent on us, and for your dedication. Our teachers have helped us achieve our potential, and taught us that we are capable of more than we thought we were, and to use our imagination. We will never forget our great teachers and how much you did for us."

Sara Hochachka said she was "beyond honoured" to reply on behalf of the teachers. "This class has had a special place in my heart since they walked into my Language Arts 7 class. They gave me my fair share of memories that should and shouldn't be shared. Grads, I learned new words from you, a coffee maker made its way into my classroom, you had interesting nicknames and hashtags. You were friendly, funny, interactive, intelligent and inquisitive, and I will remember you for your inappropriate jokes and your cheerfulness. Now your adventure outside this building begins. Stay focused, work hard, and remember, F. G. Miller will always be your home. Hashtag Grad 2016."

A very special part of every F. G. Miller graduation ceremony is the presentation of the Crusader sword. This year, Carson Ference and Lee Anna Gibson had the honour of passing on the ceremonial saber to Amy Harms and Dawson Delorme of the Class of 2017.

This year's valedictorian, Rosie Sam, said it was "unbelievable that 12 years could go by faster than we ever believed they would. We learned lessons from teachers and classmates, our educators spent hours teaching both the curriculum and life lessons, and we thank you for teaching us to be goal oriented, committed and honorable and gave us the tools we will need when we walk out these doors. We have no doubt that in this journey there will be obstacles along the way but we, the Class of 2015, possess the ability to do what ever we decide to do. We are all well rounded individuals, able to accomplish great things. I wish all my classmates success in whatever they decide to pursue."

Youngmans passed on best wishes to the grads from St. Paul Education superintendent Glen Brodziak, school trustee Lorne Young and County of St. Paul Couns. Glen Ockerman and Dwight Dach.

Youngmans gave the class history of each graduate and listed awards they had received, as principal Colin Bjorkman presented their diplomas. With all the grads back in their seats, he invited the crowd to applaud "the best students in the best school on the planet."

Following a power point presentation saluting each grad and highlighting the year's activities, the grads rose to their feet and tossed their mortarboards high in the air in celebration, before joining their escorts for the recessional.

# Big walleye biting at Moose Lake Classic

VICKI BROOKER  
Review Staff

Elk Point and District Lions Moose Lake Walleye Classic once again attracted a full slate of 110 teams of competitors, all eager to bring in the best total weight of the weekend.

The biggest fish and the best catch of each day were money makers, but it was the team who placed fifth on total weight both days who took home the top prize money.

Terrence Yushyshyn and Jeff Hughes weighed in 17.60 pounds of walleye on Friday and another, almost equal, catch of 17.56 pounds on Saturday for a grand total of 35.16 pounds and the \$19,850

top prize money, added to their \$850 prize money for each day's placing and a \$1,250 win in the Calcutta. Their total catch weight was the second highest in the past five years, the record set in 2014 at 35.58 pounds.

Second place overall also went to multiple prizewinners. Dave MacKenzie and Danielle Kendall started off by collecting a \$1,800 cheque in the Calcutta, then the \$1,000 top prize sponsored by S & T Mobile Wash Ltd. as the top mixed team and another \$1,850 for Friday's third place catch of 18.16 pounds. Saturday's catch didn't make it into the top five, but added to Friday's, brought the total to 34.52 pounds for the \$14,850 second prize.

Third prize of \$11,850 went to Roman and Dustan Buryska, who also collected \$2,350 for their 18.78 pound, second heaviest catch on Saturday, which brought their total weight to 33.76 pounds.

Close behind, at 33.56 pounds total, were fourth prize winners Chris Bahrynowski and Jordan Rae, winning \$9,850 as well as the third Calcutta prize of \$1,200.

Fifth place and \$6,850 went to Ken and Tyson Pashulka, with a 33.32-pound total catch, adding to their \$1,000 award as the top youth team.

Dale Schlatt and John Garrett collected sixth place and \$4,800 for a 32.44-pound total, as well as \$1,850 for third place weight of 18.08 pounds on Saturday.

Seventh prize of \$3,850 went to Jeremy Manning and Dylon Filewich, whose total weight was 32.26 pounds.

Ron Fibke and Mark Filewich were eighth overall with 32.08 pounds for \$2,850, with the biggest fish on day

one weighing 5.7 pounds, to win \$1,010 and when combined with the rest of Friday's catch, weighing 18.26 pounds for second place that day and another \$2,350 in prize money.

Zayed Eludin and Maurice Brosseau brought in catches totaling 31.70 pounds to win ninth place and \$1,850, while Claude and Brandon Gamache's total of 31.44 pounds earned them tenth prize of \$850.

Saturday's biggest catch, totaling 20.48 pounds, went to Sean and Terry Hughes, while Mel Barr and Trevor Sparks won \$1,350 for fourth place that day and 17.72 pounds. Saturday's biggest fish weighed in at 6.8 pounds and was brought in by Lawrence and Christopher See for a \$1,010 prize.

Friday's total weight winners were Monear Abougouche and Otto Fayed, winning \$12,850 for an 18.78-pound total, while Wilson Patry and Milo Buryske received fourth prize of \$1,350 for a 17.70-pound total.

**BIG WINNERS** - Terrence Yushyshyn (right) and Jeff Hughes hoist the Elk Point and District Lions Moose Lake Walleye Classic challenge trophy high over the head of tournament organizer George Hahn after their total catch weight of 35.16 pounds earned them first place in the tournament. The pair also won fifth place day money on both days and the first in the Calcutta.

## Turner leads bareback standings

Former Elk Point resident Billy Turner captured the Bareback Bronc Riding championship at Saddle Lake Rodeo on the June 18-19 weekend, with a 70 point ride on 'Boot Stand'.

The win, added to wins at the first Saddle Lake Rodeo in early May and the Buffalo Ranch Rodeo on June 11

and 12, puts him at the top of the standings in the Northern Alberta Native Cowboys Association. The NANCA is one of 11 associations for Native rodeo competitors across North America, with season winners advancing to the Indian National Finals Rodeo.

The road to Rio runs through  
Spruce Meadows, July 6 - 10

**WELCOME TO THE BUSINESS COMMUNITY** - Elk Point Chamber of Commerce president Jonny Nielsen presents a congratulatory certificate to Co-op Liquor Store manager Tammy LaBine and St. Paul and District Co-op directors Cliff Martin, Bernice Capjack and John Trefanenko.

## Co-op opens Elk Point Liquor Store

VICKI BROOKER  
Review Staff

The steady stream of customers and browsers that poured into Elk Point's new Co-op Liquor Store are a good indication that St. Paul and District Co-op has another huge success on their hands.

The beautiful new store offers a wide range of wines, beers and liquors for every taste, ranging from the always popular brands to wines from around the world and 'got to try' items like Dill Pickle Vodka - dill pickle included - sold in a canning jar mug, and another vodka in a camouflage bottle with a buck logo.

The new store joins Co-op's recently modernized and enlarged food store and enlarged fuel cardlock to serve the shopping needs of this growing community.

**WELCOMING VISITORS** to the new store with a barbecue lunch were (left to right) Mamie Caira of the Elk Point Food Store, Co-op general manager Graham Getz and Petroleum Division manager Dwayne Odgaard.

# It's been a stellar YeAR of AR at F.G.M!

**DENISE BJORKMAN**  
F. G. Miller High School

F. G. Miller High School has just completed another successful yeAR of reading with the Accelerated Reader (AR) program. Our Crusaders and staff read a total of 3,839 books exceeding last yeAR's total of 3,748, with a total of 160,217,827 words!

What is AR? Both fiction and non-fiction books are leveled and students ARE given an STAR test to determine their person-

al reading level. Books are coded for interest and reading levels allowing students to get the most enjoyment and challenge. Throughout the year students read in their zone and quiz on books. Points for each book accumulate throughout the yeAR.

On June 14, all points eARned were converted to AR Dollars allowing students to buy over \$2000 worth of prizes from the AR HoARd. Eighty five of our 238 Crusaders purchased prizes with their points. The AR HoARd Free-for-All was a tremendous success and the "Black Friday" like line moved swiftly with the help of Miss Trotchie, Mrs. Loughran, Miss Raymond, Mrs. Capjack, Mr. Krys and Miss Lilly.

It was a record-breaking yeAR for our top reader, Rachel ZachARuk who accumulated 1,151.5 points! She is now pARt of our Elite 1000 Court and she holds the second highest spot in our AR history! It is an amazing feat, which is very rARE! Only two other students in our eight yeARS with AR have ever broken the 1,000-point mARk and Rachel read 527.8 of those points in just nine weeks!

We have four great reading houses in our realm of eARth. Each yeAR our top four read-

ers become the kings and queens of those houses for the beginning of our next yeAR. The following four readers become the second in command, or the hand, of the house. They also received reWARds for their top placements. The top readers of 2015-2016 and new AR Royalty for 2016-2017 ARE (with numbers indicating their overall standing):

House Crimsaen: King Kaiden Evans-Anderson (No. 4 - \$25 Chapters card) with Hand Sam Henderson (No. 5 - USB)

House Greenslaeve: Queen Micah Urquhart (No. 2 - \$75 Chapters card) with Hand Katelyn Boratynec No. 7 - USB)

House Sappaere: Queen Rachel Zacharuk (No. 1 - Kobo eReader and \$50 Chapters card) with Hand Dakota Havener (No. 8 - USB)

House Silvaen: Queen Samantha Urquhart (No. 3 - \$50 Chapters card) with Hand Paige Henderson (No. 6 - USB)

Rounding out the top ten readers were: Connor Popiel (No. 9 - USB) and Katie Mohyluk (No. 10 - USB).

It was a great read-

ing yeAR in our Learning Commons with Crusaders nurturing their love of literature all yeAR long. We look forwARd to another stellar yeAR in the realm of reading.

**BERG, Dennis John**  
July 2, 1989

In memory of a loving son, brother and uncle who entered eternal rest July 02, 1989.

Den, you are with us in our hearts and souls each and every day. Though absent, you are near, still missed, loved, always dear.

Our hearts are full of memories, we treasure them with care.

The way you had to leave us, will always seem unfair. In all that life has given us and all that's left to do, we will never have a greater gift, then the time we spent with you.

To some you may be forgotten, to others a part of the past, but to us that loved and lost you, your memory will always last. We will always love and miss you with every passing day. The longing just to see you will never go away.

Forever loved and remembered

# Provincials, playoffs keep minor ball busy

The Bantam Sox played a three-game provincial round robin this past weekend down in Settler and won two out of three games. And as the song goes, "and two out of three's not bad!" Dustyn Pankiw, Corbin Ockerman and Kaiden Evans Anderson all pitched really well as the starting pitchers. The bantam boys provincial team will be re-tied this coming week and will be off to the next round on July the 5th.

All of our Lakeland Minor Ball teams played in the playoffs during this past week, the boys doing a week-day playoff format and the girls in a weekend tournament. Some of them are still playing this coming week.

### Mosquitos in second round

Both of our Mosquito teams have made it into the second round, more on them next week.

### Peewee Sox

The Peewee Sox played Cold Lake for the final game of the season, winning 21-8 on Tuesday. Half the team was at Grade 6 camp but the boys played really well and got the win. With the win, it secured first place in the league and home field advantage for the playoff games. The top eight teams in the league made the playoffs. Since we finished first, we played eighth place Goodfish on Thursday for our first game. This was a close game and both teams played really well. Goodfish made some really nice defensive plays at the right time, which saved them from getting numerous runs scored on them. In the end, we just didn't have our best night at the plate and that hurt us. Goodfish beat us 9-5. With the loss we move over to

the 'B' side and will play St Paul on Tuesday. Hope to see you there.

### Squirt Pumas

The Squirt Pumas had to move two mites up an age group to make a team of nine. We were undefeated all season and played with eight girls in the final games. In the first game against Bonnyville we won 21-11, which took us to the league final against Cold Lake. It was a very tense battle that was lost 11-10 after five full innings.

Amazing playing on short stop by Rylee "the Rocket" Warawa

with three big fly ball catches and gunning down several runners on first. Paige Skarsen and Kailey Radcliffe finished off the season with solid pitching records, chalking up numerous strikeouts. Avery Warawa played amazing on first base, catching foul balls and every throw to consistently make the out. Jadey "the Lady" Capjack, the catcher, is a serious force behind the plate. She's got a fast glove and a strong throwing arm. Chloe Bendixen, our solid third basemen and back-up pitcher plays a smart game. Jadey and Chloe shut down an aggressive runner with a "hot box" play between third and home. Ezra Wade and Lillian Swedgan covered the outfield between the two of them and disappointed the batters by consistently holding them to singles. The girls played their best games of the season!

And now for the K. A. Campbell quote of the week: "You must remain focused on your journey to greatness." Last week's quote of the week was by Mr. Hockey, Gordie Howe.

In some locations we will be using street vending boxes that will have the logo and name of a different newspaper on it. These could include: FFWD Weekly (Silver), Saint City News (Black) or the St. Albert Gazette (Blue). Signs will be posted on the front of each box to indicate St. Paul Journal/Elk Point Review papers are inside.

A complete listing and map of all temporary distribution locations can also be found by following the link on the front page of our website: <http://www.spjournal.com>
